Hi, We're wondering if you'd be interested in a 'dofollow' backlink to skpi.politeknikpgribanten.ac.id from our website that has a Moz Domain Authority of 50? As I'm sure you're aware, a strong backlink is, in essence, a digital vote of confidence from Google. Backlinks help to get your website a higher ranking on Google, with the more strong total referencing domains your site has, the higher your site ranking. You can either write a new article yourself, or we can link from existing content. Our site also has over 3 million social media followers. The fee is just \$30 (USD) to be paid via Paypal. This is a one-time fee, so there are no extra charges and the link is permanent. If you're interested in improving your backlink profile and your current search engine rankings, please reply to this email, including the word 'interested' in the Subject Field and we'll send more information. Kind Regards, Kylie
